25X1 4. [] - PLC) Yesterday Stan Nissel, Office of
General Counsel, Department of Defense, called to advise that the
working group preparing the Administration's proposal establishing
uniform procurement policies and procedures for Federal agencies,
chaired by Captain Hopkins, will meet this Friday to consider a
draft. He suggested that we review a copy of the draft and submit
any comments we may have as soon as possible. The Administration's
proposal will move quickly, prompted by Representative Holifield's
25X1A bill, H.R. 9061. [] General Counsel, OL, was notified.

25X1 5. [] - RJK) Delivered a number of maps to Jean
Tibbits, on the staff of Representative Robert Sikes (D., Fla.), for his
use during his upcoming trip to the Middle East.

25X1 25X1A 6. [] - RJK) Advised [] OBG, that
this office would like to have about 400 copies of the Middle East Atlas
for use on the Hill.

25X1 7. [] - RJK) Hand carried to the Senate Armed Services
Committee staff the Agency's responses to questions raised by Senators
Nunn and Kennedy in connection with Mr. Colby's confirmation.

25X1 8. [] - JMM) Had several conversations with Jim Woolsey,
General Counsel, Senate Armed Services Committee, regarding the priority
we should give to the various sets of followup questions relating to Mr. Colby's
nomination. The first set of answers were delivered on schedule and Woolsey,
after examining them briefly, said he much appreciated our good work.

25X1 9. [] - JMM) Called Dr. James Lucier, Legislative
Assistant to Senator Jesse Helms (R., N. C.), who is also a protege of
Senator Thurmond, at the suggestion of General Graham who had talked to
Lucier the other day and found him anxious to be helpful to us in regard to
upcoming legislation. Lucier said he would be delighted to review this problem
with us and enlist Senator Thurmond's support for any legislation we might
wish to propose to forestall legislation being introduced by other members
which would severely hamper us.
